

I Wanna Be (feat. Damian Marley)

Musiq Soulchild

Damian Marley SingingMusiq:

Girl your smile is like a sunrise, I miss you when you're not around
When you're here there's no such thing as a cloudy day
Girl your love is like a good high, when I'm up I don't wanna come down
Cuz one touch from you can take all my pain awayIt sure would be nice if this could last for the rest of my life
And that's the reason why I wanna be eh..I wanna be more than a night (wanna be more than a night)
I wanna be more than a moment that you spend in your life
I wanna be more than a day (wanna be more than a day)
I wanna be more than the words that I say to you babeGirl I see heaven in your eyes, I swear I'm in paradise
When I think about it something comes over me
If it's a dream don't wake me up tonight, I wanna put your hand in mine
Let me show you what a little bit of you and I could be like, cuz it..It sure would be nice if this could last for the
rest of my life
And that's the reason why I wanna be eh..I wanna be more than a night (wanna be more than a night)
I wanna be more than a moment that you spend in your life
I wanna be more than a day (wanna be more than a day)
I wanna be more than the words that I say to you babeDamian Marley SingingI wanna be more than a night
(wanna be more than a night)
I wanna be more than a moment that you spend in your life
I wanna be more than a day (wanna be more than a day)
I wanna be more than the words that I say to you babeTell me how could I feel like this even though we just
met, Cuz
I ain't supposed to, get so close to, someone like this so fast
If it feels like this (like this) now, I'll do whatever I gotta do to keep you girl, Cuz..I wanna be more than a night
(wanna be more than a night)
I wanna be more than a moment that you spend in your life
I wanna be more than a day (wanna be more than a day)
I wanna be more than the words that I say to you babeDamian Marley Singing~LVH ;)
