

# Know Your Enemy (www.GRIZZLIS.lt)

## Green Day

Do you know the enemy?  
Do you know your enemy?  
Well, gotta know the enemyDo you know the enemy?  
Do you know your enemy?  
Well, gotta know the enemyDo you know the enemy?  
Do you know your enemy?  
Well, gotta know the enemyViolence is an energy  
Against the enemy  
Violence is an energyBringing on the fury  
The choir infantry  
Revolt against the honor to obeyOverthrow the effigy  
The vast majority  
While burning down the foreman of controlSilence is an enemy  
Against your urgency  
So rally up the demons of your soulDo you know the enemy?  
Do you know your enemy?  
Well, gotta know the enemyDo you know the enemy?  
Do you know your enemy?  
Well, gotta know the enemyThe insurgency will rise  
When the blood's been sacrificed  
Don't be blinded by the lies  
In your eyesViolence is an energy  
From here to eternity  
Violence is an energy  
Silence is an enemy  
So gimme gimme revolutionDo you know the enemy?  
Do you know your enemy?  
Well, gotta know the enemyDo you know the enemy?  
Do you know your enemy?  
Well, gotta know the enemyOverthrow the effigy  
The vast majority  
We're burning down the foreman of controlSilence is an enemy  
Against your urgency  
So rally up the demons of your soul
