

# Wild Animals

## Trampled by Turtles

Ooo There's another world, it's made for us  
Trapped in bodies, they're made to rust  
It's one that I can break right through  
I am ready, how about you? Ooo By the coming dark, we try to breathe  
And this just can't be happening  
We found everything we need  
Buried deep beneath the leaves Ooo I see the better part of you  
I see the better part of you  
But I'm a monster just like you  
Wild animals it's true Ooo
