## Mogwai

Of all I knew her held too few  
And why don't you stop me, if I try to stop you? Old songs stay till the end  
Sad songs, remind me of friends  
And the way it is, I could leave it all  
And I ask myself, would you care at all? When I drive alone at nights, I see the streetlights as fairgrounds  
And I tried a hundred times to see the road signs as Day-Glo Old songs, stay till the end  
Sad songs, remind me of friends  
And the way it is, I could leave it all  
And I ask myself, would you care at all? Old songs, stay till the end  
Sad songs, remind me of friends  
And the way it is, I could leave it all  
And I ask myself, would you care at all?
