

# The Art Of Self Defense (Jesus Lizard cover)

## Black Light Burns

A diminutive figure in a filthy loin cloth  
Is en route to your house just to knock you off  
A sad pygmy who takes small steps  
Who weeps while he snuffs you  
Who sits on your chest  
The art of self defense  
The art of self defense  
A diminutive figure in a filthy loin cloth  
Is en route to your house just to knock you off  
A sad pygmy  
A sad pygmy  
He weeps while he snuffs you  
He sits on your chest  
To him you're no different from all the rest
