Make Me Over

TonÃ©x

You know my other side, I can no longer hide
Let you down so many times
Sin freshly crucifies
Thought that I had a plan
I had it all figured out
But the more that you tried to be by my side
The more I pushed you outLord, make me over (oh)
Lord, make me over (oh)
Lord, make me over (make me over again)
Make me over again (is there anybody in this place saying make me over again?)
Make me over againTime after time I've failed you
Pierced your side when they already nailed you
Jesus, you healed my open wounds
Oh Lord, I just want to be more like you
Father, I let you down
What's not like you, just take it out
Reconcile me Jesus, I just want to please you
Wash me and make me wholeLord, make me over (oh)
Lord, make me over (oh)
Lord, make me over (make me over again)
Make me over again (is there anybody in this place saying make me over again?)
Make me over againI'm tired of myself, I'm tired of my evil ways, yeah
Every day it's the same time and the same thing, it's the same
And I'm ready for a change, Lord
Create in me a clean heart and renew a right spirit within me
Wave your hands in here and help me say "oh"Lord, make me over (oh)
Lord, make me over (oh)
Lord, make me over (make me over again)
Make me over again (is there anybody in this place saying make me over again)
Make me over again
