Glorious

Marc Almond

I heard a story that no one told
A revelation to behold
It gave me answers, it showed me the way
It made me stronger every dayIt allayed the fear, it could happen here
Oh its only love that moves us onFeelings wider than the sky surround me on all sides
Gently floating down in a symphony of sound
That wakes me every day, urging me to pray
The story's told at last a doubting past has gone awayI heard a story again retold
A revelation glorious
I had the answers, I found the way
I was feeling stronger gloriousSo dont you fear, it can happen here
Oh its only love moving us onFeelings wider than the sky surround me on all sides
Gently floating down in a symphony of sound
That wakes me every day urging me to pray
The stories told at last a doubting past has gone awayFeelings wider than the sky surround me on all sides
Gently floating down in a symphony of sound
That wakes me every day, urging me to pray
The stories told at last a doubting past has gone awayGlorious
Feelings wider than the sky
Glorious
Feelings wider than the sky
Glorious
Feelings wider than the sky
Feelings wider than the sky
