

# Close to You

**Mario Biondi**

Why do birds suddenly appear  
Every time you are near  
Just like me, they long to be  
Close to youWhy do stars fall down from the sky  
Every time you walk by  
Just like me, they long to be  
Close to youOn the day that you were born  
And the angels got together  
And decided to create a dream come true  
So they sprinkled moon dust  
In your hair of gold  
And starlight in your eyes of blueThat is why all the girls in town  
Follow you all around  
Just like me, they long to be  
Close to youOn the day that you were born  
And the angels got together  
And decided to create a dream come true  
So they sprinkled moon dust  
In your hair of gold  
And starlight in your eyes of blueThat is why all the girls in town  
Follow you all around  
Just like me, they long to be  
Close to youJust like me, they long to be  
Close to you
