The Things You Said To Me

The Mavericks

You said
You'd always be true
As long as I were to you
If I should start running around
The string I wrapped around your heart
Would then become unwoundI kept my promise 'til the end
But you broke my heart once again
Guess I was just too blind to see
What a fool I was to listen to
The things you said to meI'm lonely
I can't help it I'm lonely
No matter how hard
I try to forget
I've got a heartache
And I know it's too late
I've been deceived
'Cause darlin' I believed
The things you said to meSomeday you just may be the one
Who's gonna wonder
What went wrong
When you're all alone
Just think of me
When no one else
Will listen to
The things you said to me
