# Fierce

## Riley Pearce

Are you scared? because I am too
This fear in my head has been there for too long
We sleep now with the lights on
Shadows make shapes in the light
And I don't know what they might beAre you cold? because I am too
So cover your toes with a jacket,
and your bones with a blanket, I will.
She tells me that I'll be alright
For a second it feels like I believe her, 'cause
I forgot the way that I felt
I'm just trying to be brave
Oooooh Ooooooh
I'm just trying to be brave
Oooooh Ooooooh
It's the body of water that splits us right down the middle
I'll be coming back for youAre you lost because I am too
Directions mean nothing in the dark when you don't know where you stand
The maps gone so are our footprints too
To get home now will take something that I'm not sure if I have left.
Oh, I'm just trying to be brave
Oooooh Ooooooh
I'm just trying to be brave
Oooooh Ooooooh
It's the body of water that splits us right down the middle
I'll be coming back for you
I'll be coming back for you
I'll be coming back for you
I'll be coming back for you
