

Dedicated To the One I Love

Neil Diamond

While I'm far away from you my baby
I know it's hard for you my baby
Because it's hard for me my baby
And the darkest hour is just before dawn
Each night before you go to bed my baby
Whisper a little prayer for me my baby
And tell all the stars above
This is dedicated to the one I love
(love can never be
exactly like we want it to be)
I could be satisfied knowing you love me
(And there's one thing I want you to do
especially for me)
And it's something that everybody needs
While I'm far away from you my baby
Whisper a little prayer for me my baby
Because it's hard for me my baby
And the darkest hour is just before dawn
If there's one thing I want you to do
Especially for me
Then it's something that everybody needs
Each night before you go to bed my baby
Whisper a little prayer for me my baby
And tell all the stars above
This is dedicated to the one I love
This is dedicated to the one I love
This is dedicated to the one I love
This is dedicated to the one I love
