

# Longevity (Live at WFUV)

## Yeast

Harmonizing with a ghost of a late face  
Just like the old days  
Golden seaplane  
Dollar tossed in the take bin  
What a bargain  
Turned up in yellow night  
Found oysters on the beach  
Undressed from the waistMy girl says that  
All the rain promises is  
To give life to the seeds, sea  
Live in the moment  
Never count on longevity  
PleaseRibbons showing  
Very plainly on her skin  
Okay I want in  
Heels overhead  
With her  
Never monetized  
My lovely space caseThe times I'm in (there?) are cheap  
Legs bruised up from the beast  
Undressed from the waist
