

# Ben Sherman

## Heavenly

He's saving up for a new Ben Sherman  
He says he'd like to fuck Uma Thurman  
I don't think that he'll get too far  
With either those dreams  
He's got his eyes on a pair of Pumas  
He says I should cut my hair like Uma's  
If he thinks I'd go along with  
His sordid fancies When you call my name  
It better be me that you want  
And not anyone else  
If it's all the same  
I don't want to get into bed  
With your dreams there as well  
Get through your head, or do I have to yell That I don't want that  
And well I might desert you  
'Cos if I get a short back  
And sides will that hurt you? He says he's starting to feel quite horny  
I say shut up and read your Nick Hornby  
Then he pouts to try to sway me  
But I don't think so  
He says you can't waste a good erection  
I think I'm starting to lose affection  
I once felt for him, it's over  
I tried to tell him When you call my name  
It better be me that you want  
And not anyone else  
If it's all the same  
I don't want to get into bed  
With your dreams there as well  
Get through your head, or do I have to yell That I don't want that (no way)  
And well I might desert you (today)  
'Cos if I get a short back (okay)  
And sides will that hurt you? (the cool breakdown with the handclaps) When you call my name  
It better be me that you want  
And not anyone else  
If it's all the same  
I don't want to get into bed  
With your dreams there as well  
Get through your head, or at least through your gel That I don't want that (no way)

And well I might desert you (today)  
'Cos if I get a short back (okay)  
And sides will that hurt you?
