Reincarnation

Crematory

He is coming back
Another body another face but same soul
His former life is filling up with hate and pain
Many people dying through his handsUponing to tortured
Uponing to tortured
And agonized with blood
The calling was to the dead ones always aheadAfter the death given a new life
The punishment you taken for mistakes
His old corpse is rotting away
And smelling decomposedReincarnation, a new life
Reincarnation, the same wayHis old corpse is rotting and decomposed
The punishment for mistakes is painful
Imprisoned in a deformity body
The deliverance out of this life
Is the death imprisoned deliverance
The punishmentHis old corpse is rotting and decomposed
The punishment for mistakes is painful
Imprisoned in a deformity body
The deliverance out of this life
Is the death imprisoned deliverance
The punishmentAfter the death given new life
The punishment you taken for mistakes
His old corpse is rotting away
And smelling decomposedReincarnation, a new life
Reincarnation, the same wayClosing your eyes for off you prophesy
And ignored your mistakes
Agonized and murdered
Let your propelling the pushLook forward of your new birth
