Marian

Nouvelle Vague

In a sea of faces, in a sea of doubt
In this cruel place, your voice above the maelstrom
In the wake of this ship of fools I'm falling further down
If you can see me, Marian, reach out and take me homeI hear you calling Marian
Across the water, across the wave
I hear you calling Marian
Can you hear me calling you to
Save me, save me, save me from the grave?
Marian, MarianThere's a weight above me and the pressure is all too strong
To breathe deep, breathe long and hard
To take the water down and go to sleep
To sink still further beneath the fatal wave
Marian I think I'm drowning, this sea is killing meI hear you calling Marian
Across the water, across the wave
I hear you calling Marian
Can you hear me calling you to
Save me, save me, save me from the grave?
Marian, Marian
