Wayfarer Weather

Chase Bryant

Ain't no corn in that field
Big crack in the windshield
From that January cold snap
Baby don't look back
I got the wheel, yeahThree hundred twenty nine
Miles to the shoreline
Sunset on the billboard
Girl that's what we're in for
Yeah that's a good signNo I can't wait to get there
Cover you up in blue sky
Gettin you outta here
Put your shades on, Lay it back, Enjoy the ride
You and me together
On our way to better
Wayfarer weather, Wayfarer weather
Yeah
No it won't be long now
We'll be rollin these windows down
You'll be pullin that sweater off
Puttin on a summer song and
Crankin it up loud, yeahNo I can't wait to get there
Cover you up in blue sky
Gettin you outta here
Put your shades on, Lay it back, Enjoy the ride
You and me together
On our way to better
Wayfarer weather, Wayfarer weatherGotta get you outta here
Gotta get you underneath the sun
When I see you lyin there
You bikini top girl and I'm done
Can't wait to get there
No I can't wait to get there
Cover you up in blue sky
Gettin you outta here
Put your shades on, Lay it back, Enjoy the ride
You and me together
On our way to betterYou and me together
On our way to better
Wayfarer weather, Wayfarer weather(Backup Vocals)

Gotta get you otta here
Gotta get you underneath the sun(Lead Vocals)
Oh wayfarer weather
Underneath that big blue sky, yeah
