Pulverized (Live - Party San 2005)

Cannibal Corpse

Temptation to kill again
The sensation comes over me
An addiction to murdering
I can't stop killingYou tried to stop me
Dead before you started
Put me away
Before I put another
In the grave[Chorus]
Pulverized
Knocked down, it came up behind me
In the dark
Overwhelmed, I feel life slip from me
This isn't happening, pulverized
I won't sustain these injuries
Pick up the pieces of meTemptation to kill again
The sensation comes over me
An addiction to murdering
I can't stop killingYou tried to stop me
Dead before you started
Put me away
Before I put another
In the grave[Chorus]Temptation to kill again
The sensation comes over me
An addiction to murdering
I can't stop killingYou tried to stop me
Dead before you started
Put me away
Before I put another
In the grave[Chorus]An addiction to murdering
I can't stop
