

I Choose You (Mario Demo)

Babyface

For whatever might have been
And all that it never was
Whatever I couldn't see
for all that I didn't want
There was a method to my madness girl
That wasn't clear to me
Until the day I saw your face
When I saw everything
For I saw us dancing through sunshine and rain
And I saw us laughing through joy and through pain
And I saw time passing but we did not change
And I still saw us together at the end of every day [Chorus:]
Whenever you want it
Whenever you need it
Whatever you feel like, it's gon' be like
You better believe it
Whenever you feel like dancing
You don't have to dance alone, no
You know, you know, you know
You should already know
I choose you (8x) I felt you inside myself
Before I could even feel
I knew you like no one else
But still I couldn't tell, Oh
Girl, none of it made sense to me
Girl, none of it was real
Until the day I saw your face
And it was clear to see
Whenever you want it, no
Whenever you need it, no
Whatever you feel like, it's gon' be like
You better believe it (you better believe it)
Whenever you feel like dancing
You don't have to dance alone, no (oh, no)
You know, you know, you know
You should already know
I choose you (8x) [Bridge]
Throughout our times, people have searched their lives
Hoping that they might find the chance where they can make things right
Through my desire, thank God I found the fire
Oh, for everything has led me straight to you (youuuu) Whenever you want it
Whenever you need it

Whatever you feel like, it's gon' be like

You better believe it

Whenever you feel like dancing

You don't have to dance alone, no

You know, you know, you know

You should already know

I choose you (8x)

I choose you (8x)
