

Big Boy

Sparks

The earth is shaking, so am I
If you don't run, it's suicideBig boy, big boyMy name is David, he don't care
He's never nice, he's never scaredBig boy, big boyBig boy comes around
Throws his weight around
Throws our girls around
Leaves without a soundBig boy, big boyHe's well-equipped, the girls are sure
Is that a guess, or something moreBig boy, big boyWe're bored to tears until he comes
And then we're crying cause he's comeBig boy, big boyBig boy comes around
Throws his weight around
Throws our girls around
Leaves without a soundBig boy, big boyThe earth is shaking, so am I
If you don't run, it's suicideBig boy, big boy
