

# Need You Now (how Many Times)

## Plumb

"Need You Now (How Many Times)"

Well, everybody's got a story to tell  
And everybody's got a wound to be healed

I want to believe there's beauty here  
So, I guess you're tired of holding on

I can't let go, I can't move on  
I want to believe there's meaning here  
How many times have you heard me cry out

"God please take this"?

How many times have you given me strength to  
Just keep breathing?

Oh I need you

God, I need you now.

Standing on a road I didn't plan  
Wondering how I got to where I am  
I'm trying to hear that still small voice

I'm trying to hear above the noise

How many times have you heard me cry out  
"God please take this"?

How many times have you given me strength to

Just keep breathing?

Oh I need you

God, I need you now.

Though I walk,

Though I walk through the shadows

And I, I am so afraid

Please stay, please stay right beside me

With every single step I take

How many times have you heard me cry out?  
And how many times have you given me strength?

How many times have you heard me cry out  
"God please take this"?

How many times have you given me strength to  
Just keep breathing?

Oh I need you

God, I need you now.

I need you now

Oh I need you

God, I need you now.

I need you now

I need you now
