

# Run Away

Matvey Emerson

Tell me (x4)

How I really feel inside,  
Would you know how I really feel inside,  
Run away and hide,

How I really feel inside, Run away and hide (x3)

Tell me,  
Would you run away?  
Huh  
Tell me,  
Huh  
Would you run away?

Tell me,  
Huh  
How I really feel inside,

Would you know how I really feel inside?  
Run away and hide

How I really feel inside, Run away and hide (x6)

Tell me,  
Would you run away?  
Huh  
Tell me,  
Huh  
Would you run away?  
Tell me,  
Huh  
How I really feel inside,

Would you know how I really feel inside,  
Tell me,  
Run away and hide,  
Would you know how I really feel inside,  
Tell me  
Run away and hide

Tell me,  
How I really feel inside  
Would you run away and hide?

Tell me,  
How I really feel inside  
Run away and hide  
Would you?

Tell me (x2)

How I really feel inside,  
Would you?

Tell me (x2)

How I really feel inside,  
Would you?
