What Am I Gonna Do With You

GFYA

You got me doin' it, you got me doin' it
You got me doin' it, you got me doin' it
Got me doin' it, got me doin' it
Oh baby, sweet babe
What am I gonna do?
Baby, sweet babe, my babe
What am I gonna do with you?
Been makin' love for hours
And baby, we're still goin' strong
Girl, this night is ours
And ooh, I swear I feel it, comin' on
Oh, I know when we get through
Girl, I won't be able to move
I don't know just what you got
I just don't what you to stop givin' me all of me
Baby, oh babe
What am I gonna do?
Baby, sweet babe, my babe
What am I gonna do with you?
Ooh, what a groove?
Love how you do it
Ain't what you got babe
Girl, it's how you use it
Stay right there, right there, don't you move
You don't know what I'm going through
Girl you made me give it up, you're unreal
You're just too much, you know how to make me
Ooh baby
Ooh baby
Ooh ooh, baby
Oh baby, oh baby
Girl what am I gonna do?
Baby, sweet babe, my babe
What am I gonna do with you?
Baby, oh babe
Tell me what am I gonna do with you?
Baby, sweet babe, my babe
Girl what am I gonna do with you?
Oh baby, oh babe

Oh babe, sweet babe
Sweet babe, sweet babe
