

# Why Don't We

Austin Mahone

Here's a situation that's been weighing on my brain  
I know you've been looking for something brand new  
Oh now please forgive me for what I'm about to say Tell me baby can you, baby can you Give me one good  
reason why you don't give this a try?  
Girl there's no point in feeling guilty  
Oh I'm asking can you keep a, can you keep an open mind?  
No we got nothing to hide, so girl why don't we? Spend a little time in the middle  
Middle out on the floor (yeah)  
Never done it like this before (c'mon)  
Girl why don't we?  
Love right now just a little  
Cause you deserve so much more (yeah)  
Never done it like this before (c'mon)  
Girl why don't we?  
Let's not waste another moment, baby take a chance (take a chance now)  
I know that you feel this, cause I feel it too  
Oh but you be sitting, like you forgot how to dance (how you dance now)  
Think of what we can do (baby can you) Give me one good reason, why you don't give this a try?  
Girl there's no point in feeling guilty  
Oh I'm asking can you keep a, can you keep an open mind?  
No we got nothing to hide, so, girl why don't we? Spend a little time in the middle  
Middle out on the floor (yeah)  
Never done it like this before (c'mon)  
Girl why don't we?  
Love right now just a little  
Cause you deserve so much more (yeah)  
Never done it like this before (c'mon)  
Girl why don't we?  
Baby we can take it slow  
Anything you want (yeah)  
Long as you were right (yeah)  
Right with me  
Baby I'm gonna love you different  
It's what you've been missing  
Can't you see?  
So girl why don't we? Spend a little time in the middle  
Middle out on the floor (yeah)  
Never done it like this before (c'mon)  
Girl why don't we?

Love right now just a little  
Cause you deserve so much more (yeah)  
Never done it like this before (c'mon)  
Girl why don't we? Spend a little time in the middle  
Middle out on the floor (yeah)  
I know you've been looking  
For something brand new  
Love right now just a little  
Cause you deserve so much more (yeah)  
Never done it like this before (c'mon)  
Girl why don't we?
