I'll Stay

Funkadelic

I'll stayI'll stay for she'll be coming back
You know her head went out to play
She'll get over thatI know that my reward
When she returns
Woo woo
Keeps me hanging on
I'll stayI'll stay though friends they ridicule
You know for her there is no substitute
Talk I can endure
(I must endure)
"But that's alright", mother says, "Son"Know my reward
When she returns
(Whoo whoo)
She'll still come home, woah
Keeps me hanging on
I'll stayBa ba ba ba
Ba ba ba
Ba ba doo whoo whoo whoo
Ba ba ba ba
Ba ba baBa ba doo whoo whoo whoo
Ba ba ba ba
Ba ba ba
Ba ba doo whoo whoo whooYou know her head went out to play
That's all right
The girl will get over that
Lord, my reward is gonna be much greater
Every night, Lord, is gonna replace her
And if another girl decides she wants to go homeWait right there
Wait right here
Wait right here
I ain't goin' nowhereWait right here
Wait right here
I'm gonna stand right here
On this ground and wait
Hey hey hey hey
