

# Honesty Is No Excuse

## Thin Lizzy

Up till now I used to pass my time  
Drinking beer so slowly, sometimes wine  
No God, air, water or sunshine  
And honesty was my only excuse  
I took your love and I used it Up till now my youthful stage  
Was a useless rage, a torn out page, a worn out gauge  
A dirty shade, a big charade, a has been made  
And honesty was my only excuse  
I took your love and I used it  
Up till now my love life  
A few sweet kisses, a little missy, a fork and knife  
A happy home, a hand to hold, a land to roam  
And honesty was my only excuse  
I used to take life by the hand and I abused it Up till now I used to tap dance  
Take a girl by the hand  
Saying I need your, I need your romance  
Oh, I had me some chances  
And honesty was my only excuse  
I used to take your love and I abused it  
Up till now the path of life  
Was fair enough  
Enough was fair, all was right  
But now I know, I see the light  
And honesty was my only excuse
