

Party Train

The Gap Band

All aboard
Every all aboard
Anybody wanna take this ride
Anybody wanna ride
All it takes is a nickel or a dime
Be sure to get your ticket
Hurry, don't miss it
Everybody's got to stand in line
So make sure that you too will be right on time
Everybody all aboard
Everybody all aboard
Mmm
Mmm
All aboard
Don't you miss it, baby
If you miss that train
Don't miss the party train
Oh...don't you miss it, baby
If you miss that train
Don't miss the party train
Everybody all aboard
Oh...baby
Everybody all aboard
Mmm
Don't you that train
If you miss that train
Don't miss the party train
Oh...ho...ho...ho...
If you miss that train
Don't miss the party train
Your ticket, ooh
Mmm, mmm
Everybody all aboard
Ho...ho
Everybody all aboard
Every all aboard
Anybody wanna take this ride
Anybody wanna ride
All it takes is a nickel or a dime

Every all aboard
Anybody wanna take this ride
Anybody wanna ride
All it takes is a nickel or a dime
All aboard
Hee...
Hee...hee...
Ho...ho
Get down, get down, get down tonight
We're gonna party, gonna party on the train tonight
Get down, get down, get down tonight
We're gonna party, gonna party on the train tonight
Get down, get down, get down tonight
We're gonna party, gonna party on the train tonight
Get down, get down, get down tonight
We're gonna party, gonna party on the train tonight

Gotta, gotta, gotta, gotta get on board
Hey, hey, yeah
Hey, hey, hey, hey, hey, gotta come get on board, baby
Everybody all aboard
Get your ticket, don't you miss that train
