The Last Song Ever Written

HVOB

You are here so please don't whisper
It's ok to please the one
We had everything we wanted
It's ok to say goodbye.We were young
We were relaxed
We were young but feeling old
It's not fair, it breaks my heart
You're not with me anymore.
Oh I miss you dear
Anywhere I go
How I miss you here
How I miss you hereThis is the last song ever written
This is the last song ever written
This is the last song ever written, this is the last oneThis is the last song ever written, this is the last oneThis is the last song ever writtenThis is the last song ever written, this is the last one
