Giddy Up

N-Sync

(Gotta giddy up)
Yeah, N Sync, giddy up
(Gotta giddy up)
Like this, come onTried to get a hold of you last night
(Called you on the phone)
Thinking to myself something ain't right
(Girl were you alone)
Letting little things come between us
(All we do is fuss)
When all I wanna do is show you loveSo I say
(Hold up)
I'm tired of all these lies, yeah yeah
(Hold up)And if you wanna make things right, that's right
(Hold up)
I'm tired of all these lies
(Hold up)
'Cause if you wanna make things rightYou've got to giddy up
(Giddy up, giddy up)
Giddy up now
(Giddy up, giddy up)I gotta giddy up, giddy up
(Giddy up, giddy up)
Giddy up now, yeah
(Giddy up, giddy up, gotta giddy up)Remembering the way we used to be
(Everything was cool)
And now you've gone and done all this to me, babe
(To me)
Maybe we can turn this love around
(Give it one more try)
You see, every time you're thinking about saying goodbyeI gotta say
(Hold up)
I'm tired of all these lies
(Hold up)And if you wanna make things right, that's right
(Hold up)
I'm tired of all these lies
(Hold up)
'Cause if you wanna make things rightYou've got to
(Giddy up, giddy up)
Giddy up now
(Giddy up, giddy up)I gotta giddy up

(Giddy up, giddy up)
Giddy up now
(Giddy up, giddy up, gotta giddy up)Yeah, ride giddy up, giddy up, yeah
Ride it, ride it, ride it, ride it
Ride it, ride it, ride it
Giddy up, giddy upYou got to, you got to
You got to giddy giddy up
You got to, you got to
You got to giddy giddy upYou've got to giddy up
(Giddy up, giddy up)
Giddy up now
(Giddy up, giddy up)I gotta giddy up, giddy up
(Giddy up, giddy up)
Giddy up now, yeah
(Giddy up, giddy up, gotta giddy up)Ride it, ride it, ride it
Giddy up
