The Delgados

Please believe
If I can't win then I'll leave
And chaste I am
But no one knows where I stand
But you've been lying
And I've been trying to underrate
But you've got honey
And friends with money, you'll be OK
So just go
My situation's darkened anything
There's guys in here, they're asking you to drink
But I would dedicate my life to you
No, nothing fill the part where we come in and out, you go
Looking at the princess as she flows
Always stare a charter in the eye
Finalise the biggest til we die
But I would dedicate life to you
Because the chances are we're already through
We would dedicate life to ...
Because the chances are we're already

Sorry, ...
I'm tired, it's all that I try
I hate, I am
There's no one here but my man
So we've been trying
And we've been lying our dreams away
But you've got money
And friends with honey, and be OK
I'll lead on
Trying to reason on your own
There's no one here answering the phone
But you live your life in on a sly
And shake it til the part where we come in and out, you go
Looking at the princess as she flows
Always stare a charter in the eye
Finalise the biggest til we fly
But we would dedicate life to you
Because the chances are we're already through

We would dedicate life to ...
Because the chances are we're already.
