

# Drunk With Power

## Puscifer

Lampin' like I'm campin'  
Bumpin' fitty with a forty  
Whatcha 20, honey, poppa's all alone  
Empty hizzy, left me dizzy  
I'm a pirate lost his booty  
I'm a pimp without a dog without a bone

Where all my honey gone?  
Pooh bear be cryin'  
Some Oreo cracker song  
Wigger be tryin' to get his queen to come on home

So pardon all the cheesy  
Wigger pimp is feelin' crazy  
Daisy dukes, my kryptonite, Im fumblin'  
My pimpin' hand gone limp  
And I'm a trippin' plain and simple  
All the po po's, wolves and dogs are Closing in

Where all my honey gone?  
Pooh bear be cryin'  
Some oreo-cracker song  
Wigger be tryin to get his queen to come on home

Now I know I ain't no player  
Heavy hitter, roller, spitter  
Those legit can go ahead and giggle on ('Cause mos def)  
I ain't no cracka' quitta  
Gonna do my best to get 'er back to daddy  
Honey, bring your sweet ass home

Where all my honey gone?  
Pooh bear be cryin'  
Some Oreo cracker song  
Wigger be tryin to get his queen to come on home

Where all my honey gone?  
Pooh bear be cryin'  
Some Oreo cracker song

Wigger be tryin to get his queen to come on home

Where all my honey gone?

Pooh bear be cryin'

Some Oreo cracker song

Wigger be tryin to get his queen to come on home
