Fear of Dying

Jack Off Jill

I'm not afraid of standing still
I'm just afraid of being bored
I'm not afraid of speaking my mind
I'm just afraid of being ignoredI'm not afraid of feeling
and I'm not afraid of trying
I'm just afraid of losing
And I am afraid of dyingWithout you yes I do and I hope that you do too
Without you yes I do
Without you yes I do and I hope that you do too
Without you yes I...I'm not afraid of being sick
I'm more afraid of being well
I'm not afraid
Put the gun in my hand
I'm just afraid it will hurt like (hurt like) hellI'm not afraid of screaming
and I'm not afraid of crying
I'm just afraid of forgetting
And I am afraid of dyingWithout you yes I do and I hope that you do too
Without you yes I do
Without you yes I do and I hope that you do too
Without you yes I...Fear of
Fear of
Fear of
Fear ofI'm not afraid of looking ugly
I couldn't care what they say
I'm not afraid of happy endings
I'm just afraid my life won't work that wayI'm not afraid of forgiveness
I absolve you everything
I'm not afraid of lying...
But I am afraid of dyingWithout you yes I do and I hope that you do too
Without you yes I do
Without you all I do is sit and think about you
Without you yes I...
