Soft Dogs

D-A-D

Wrong words
Out of confusion
Yeah, I risk losing
The flesh you wear so well
Lost words
Eating away with no patience
Noone mentions
Our hearts like a small machine
Giving
And finding the place where your soul is
It's just that I know this
It's near the wound - it's near the pain
Listen
To the warm red water
Making me smaller
And soft as tears - soft as rainI'm finally on my knees
The stupid pride recedes
Baby, I'm all ears..
Finally
I hear every word you're sayin'
Baby, I'm a soft dog at your feetWrong turns
Maybe I ordered
But, you followed
Me straight to hell
And wild words
Like I know what I'm doing
Like I know who I'm using
I can never tell..
Changes
The kiss of life that I'm giving
I've been afraid for no reason
Again this feels like homeI'm finally ...
