

# No Time For Lonely

## LOLO

I ain't no matchstick american girl  
Are you crazy, are you crazy  
Don't curl my hair or wear a little black dress  
But I'm a lady, I'm a lady  
The world's too hot and it's melting away  
But I wanna believe it's a beautiful place  
I'm not looking for a tinder date  
Blow me, got no time for lonely Pocket full of lemons for my lemonade  
Dish full of diamonds for my bills  
Sucking on my chinese take away  
Doesn't make me lonely  
Blow me, blow me  
Got no time for lonely  
Blow me, blow me  
Got no time for lonely  
I keep changing, today I woke up  
Like a daisy, like daisy  
Yesterday I couldn't get out of bed  
You couldn't pay me, you could not pay me  
The world is a beautiful morning pill  
I wanna rewind it like a horror film  
Be the final girl before the kill  
Blow me, got no time for lonely Pocket full of lemons for my lemonade  
Dish full of diamonds for my bills  
Sucking on my chinese take away  
Doesn't make me lonely  
Blow me, blow me  
Got no time for lonely  
Blow me, blow me  
Got no time for lonely  
The world's too hot and it's melting away  
But I wanna believe it's a beautiful place  
I'm not looking for my life to change  
Just blow me  
Got no time for lonely  
Blow me, blow me  
Got no time for lonely  
Blow me, blow me  
Got no time for lonely
