Mother Nature

John McLaughlin

Illusion, Division
Transcendence of angels eon
Poetic, Romantic
Cosmic at the meansEtherial, Material
Eternal but still so mortal
Akana, Sorana
Mother of all dreamsEmotion, Devotion
Grand mirror of souls horizons
Lost frequence reflected
On the velvet seaWide open dreamIntensive, impressive
Lost freckle of chaos and order
Refraction of wonders
Of a time it soarsAmbition, Devotion
Grand mirror of souls emotion
Lost frequence reflected
On the velvet seaWide open dreamMother of Golden sunshine,
Mountains and oceans
Free are the splendours of your conscience
And reveal your mystic spirit to your sonMy queen of northern sunlight
Paint skies with rays of light
Lie in the infinity of cosmos
And embrace my lost eternal soul[Solo]Mother of Golden sunshine,
Mountains and oceans
Free are the splendours of your conscience
And reveal your mystic spirit to your sonMother of Golden sunshine,
Mountains and oceans
Free are the splendours of your conscience
And reveal your mystic spirit to your sonMy queen of northern sunlight
Paint skies with rays of light
Lie in the infinity of cosmos
And embrace my lost eternal soulMother of all
