

# Into You

## Ariana Grande

[Verse 1]

I'm so into you, I can barely breathe  
And all I wanna do is to fall in deep  
But close ain't close enough 'til we cross the line  
So name a game to play, and I'll roll the dice[Pre-Chorus]  
Oh baby, look what you started  
The temperature is rising  
And here is this gonna happen  
Been waiting and waiting for you to make a move  
Before I make a move[Chorus]  
So baby, come light me up  
And maybe I'll let you on it  
A little bit dangerous  
But baby, that's how I want it  
A little less conversation, and a little more touch my body  
Cause I'm so into you, into you, into you  
Got everyone watchin' us  
So baby, let's keep it secret  
A little bit scandalous  
But baby, don't let them see it  
A little less conversation and a little more touch my body  
Cause I'm so into you, into you, into you[Verse 2]  
This could take some time, hey  
Made too many mistakes  
Better get this right[Pre-Chorus]  
Oh baby, look what you started  
The temperature is rising  
And here is this gonna happen  
Been waiting and waiting for you to make a move  
Before I make a move[Chorus]  
So baby, come light me up  
And maybe I'll let you on it  
A little bit dangerous  
But baby, that's how I want it  
A little less conversation, and a little more touch my body  
Cause I'm so into you, into you, into you  
Got everyone watchin' us  
So baby, let's keep it secret  
A little bit scandalous

But baby, don't let them see it  
A little less conversation and a little more touch my body  
Cause I'm so into you, into you, into you[Bridge]  
Tell me what you came here for  
'Cause I can't, I can't wait no more  
I'm on the edge of no control  
And I need, I need you to know, you to know[Chorus]  
So baby, come light me up  
And maybe I'll let you on it  
A little bit dangerous  
But baby, that's how I want it  
A little less conversation, and a little more touch my body  
Cause I'm so into you, into you, into you  
Got everyone watchin' us  
So baby, let's keep it secret  
A little bit scandalous  
But baby, don't let them see it  
A little less conversation and a little more touch my body  
Cause I'm so into you, into you, into you So come light me up, so come light me up my baby  
D-Dangerous, a little bit dangerous my boy  
A little less conversation and a little more touch my body  
'Cause I'm so into you, into you, into you
