

# Crystal Mountain

## Death

Advisory - the following lyrics contain explicit language:

Built from blind faith, passed down  
From self-induced fantasy, turn a page to justify  
Conjuring power, it opens wide on your seventh day  
Is that how it's done? Twisting your eyes to perceive  
All that you want To assume from ignorance  
Inflicting wounds with a cross-turned dagger  
Inside Crystal Mountain, evil takes its form  
Inside Crystal Mountain, commandments are reborn  
All the traps are set to confine  
All who get in the way of the divine  
In sight and in mind of the hypocrites  
A slave to the curse, forever confined  
Shatter the myth, don't cut yourself  
On your words against dreams made of steel  
Stronger than any faith that inflicts pain and fear  
So is that how it's done? Twisting your eyes to perceive  
All that you want To assume from ignorance  
Inflicting wounds with a cross-turned dagger  
Inside Crystal Mountain, evil takes its form  
Inside Crystal Mountain, commandments are reborn
