

Stupidfacedd

Wallpaper.

S'all you got?
S'all you got?
That's all you got?

I don't put glue sticks in my nose and um
But my face pasted to linoleum
Kitchen floor shit
Some college dorm shit

Face down in a bloodstained carpet
Get chicks at the farmers' market
White girls buy produce
Take them home, make them drink Grey Goose

White boy wasted
Glue stick pasted
White boy wasted
Glue stick pasted
Stupid faceded
Stupid faceded
Stupid faceded

I drink a can of Sparks and try to freestyle
Ex-girlfriend's on speed dial
Oh that's a drunk dial, drunk sexting
Drunk stagger, drunk swagger

I don't rap good, it don't matter
Can't sing good, it don't matter
Cause I'm blacked out sleepwalking
On a quest for God at my friend's apartment

White boy wasted
Glue stick pasted
White boy wasted
Glue stick pasted
Stupid faceded
Stupid faceded
Stupid faceded

When I say "awkward" y'all say "silence"

Awkward

Awkward

Super Soaker filled with Four Loker

Plus SoCo, real gross yo

I go ham and cheese on rolls

That's a metaphor. Another metaphor:

Like icing on a Cinnabon

Like a hot chick that ain't no fun

Listen, I'ma teach you a lesson

Let's start at number

One: Sleep is the best way to save money

Two: Money is the best way to have sex

Three: Sex is the best way to feel nothing

Four: Nothing happens if you're asleep

So stay up until you wake up

Stupid faceded

Stupid faceded

Stupid faceded

Stupid faceded

Stupid faceded

Stupid faceded
