Crystal Ball

Yngwie Malmsteen

We hold the secret to a dream
We keep it wrapped in chains
Locked inside a mysteryWe climb a stairway to the stars
Through doorways of the heart
Step inside, the magic startsGaze into my crystal ball
See what lies behind the wall
Can't you feel the wonder of it all?
In my crystal ballYou veil your eyes in fantasy
Time to pull the curtain back
Distant worlds so much to seeGaze into my crystal ball
See what lies behind the wall
Can't you feel the wonder of it all?
In my crystal ballI wanna know you
Baby let me show you the way
I really wanna hold you
Reach out to these hands of fateI wanna know you
Baby let me show you the way
I really wanna hold you
Reach out to these hands of fate
This is the moment we've been waiting for, oh yeahGaze into my crystal ball,
See what lies behind the wall
Can't you feel the wonder of it all?
In my crystal ball
