

Keep Me In Mind

Boy George

You got, you got, you got everything You know I'm not someone
Who likes to wait around in line
You know I'm not someone
Who likes to waste a lot of time Love will find the answer
In every little thing you do
Love will find the answer
And it's always gonna come to you If you just keep me in mind
'Cause there may not be a second time
Keep me in mind
For the rest of your life
Keep me in mind
For the rest of your life
Keep me in mind You know I'm not someone
Who likes to use words like love
You know I'm not someone
Who likes to put myself above Love will find the answer
In every little thing you do
Love will find the answer
And it's always gonna come to you If you just keep me in mind
'Cause there may not be a second time
Keep me in mind
For the rest of your life
Keep me in mind
For the rest of your life
Keep me in mind Love will find the answer
And it's always gonna come to you If you just keep me in mind
'Cause there may not be a second time
Keep me in mind
For the rest of your life
Keep me in mind
For the rest of your life
Keep me in mind
