# Red Stars (Live 2007)

## The Birthday Massacre

Best of cruel intentions
Finding what they fail to mention
No truth, all pretension
Raise your hand to give attentionYou'd give it
We'd take it
You'd build it
We'd break it
You silently erase it
You'd feel it
We'd fake itIt's my red star steal it
It's my red star can't let go
It's my red star conceal it
It's my red star oh noWasted education
Celebrating imitation
Misplaced admiration
Speaking for a generationYou'd give it
We'd take it
You'd build it
We'd break it
You silently erase it
You'd feel it
We'd fake itIt's my red star steal it
It's my red star can't let go
It's my red star conceal it
It's my red star oh no
