Short Fuse

No Warning

Bust, not important, not to me, not to you
This is always something we always have to go through
Fuck what they say, if you believe what you hear
You deserve what you were fedPlease don't waste my time
Don't ask me if it's true
I'll just tell you what you want to hear
And hope trouble finds youCan't figure it out, I don't care
You gotta believe what they say
That's all that you should hear
Bullshit everydayPlease don't waste my time
Don't ask me if it's true
I'll just tell you what you want to hear
And hope trouble finds youEverybody knows, everybody talks
Everybody sees but no one's saying nothing
It's no use, get a clueIt's time that someone fuckin' told you
Take apart what I say
You change nothing anywayAre you done? Nice try
Heard it before, goodbye
