

Somebody New (feat. Ezra James)

Spada

Maybe it's okay that the things would end up this way
With you
Never thought I'd see the day I wake up without
You here In case you feel the same way as I do
I'll clean from my room tonight
Yeah, I know I should never really assume
What's going through your mind?
'Cause if it's you,
Then I don't wanna talk about it
I don't wanna talk about it
No, I don't wanna talk about it
Not if it's you
Then maybe I just need somebody
I need somebody
Maybe I just need somebody
(Somebody new) What if I don't ever see your face here again?
I don't need another lover if it ain't you
Right here In case you feel the same way as I do
I'll clean from my room tonight
Yeah, I know I should never really assume
What's going through your mind?
'Cause if it's you,
Then I don't wanna talk about it
I don't wanna talk about it
No, I don't wanna talk about it
Not if it's you
Then maybe I just need somebody
I need somebody
Maybe I just need somebody
(Somebody new)
