Ordinary Miracles

Nancy Lamott

Change can come on tip toes
Love is where it starts
It reside often hides deep in our heartsAnd just like pebbles make a mountain
Raindrops make a sea
One day at a time
Change begins with you and meOrdinary miracles
Happen all around
Just by giving and receiving
Comes belonging and believingEvery sun that rises
Never knows before
Each new day leads the way
Through a different door
And we can all be quiet heroes
Living quiet days
Walking through the world
Changing it in quiet waysOrdinary miracles like candles in the dark
Each and every one of us lights a spark
And the walls can tumble
And the mountains can move
And the wind and tides can turn
Ordinary miracles
One for every star
No lightning bolt or crash of thunder
Only joy and quiet wonderEndless possibilities
Right before our eyes
See the way a miracle multiplies
Hope can spring eternally
Plant it and watch it growsLove is all that is necessary
Love in its extraordinary way
Makes ordinary miracles
Every blessed day
