

Ordinary Miracles

[Nancy Lamott](#)

Change can come on tip toes
Love is where it starts
It reside often hides deep in our hearts
And just like pebbles make a mountain
Raindrops make a sea
One day at a time
Change begins with you and me
Ordinary miracles
Happen all around
Just by giving and receiving
Comes belonging and believing
Every sun that rises
Never knows before
Each new day leads the way
Through a different door
And we can all be quiet heroes
Living quiet days
Walking through the world
Changing it in quiet ways
Ordinary miracles like candles in the dark
Each and every one of us lights a spark
And the walls can tumble
And the mountains can move
And the wind and tides can turn
Ordinary miracles
One for every star
No lightning bolt or crash of thunder
Only joy and quiet wonder
Endless possibilities
Right before our eyes
See the way a miracle multiplies
Hope can spring eternally
Plant it and watch it grows
Love is all that is necessary
Love in its extraordinary way
Makes ordinary miracles
Every blessed day
