

Hold Back the Night

Robin Beck

I don't wanna leave you alone
I don't wanna beg you to stay
I don't wanna take up your time
I don't wanna make up your time
I don't wanna pull on your life
gotta see the love in your eyes
 Hold back the night
 keep the morning away
 hold on to our love
 'cause it's slipping away
 don't close the door
 before you know
 hold back the night
 and I won't let you go
I don't wanna freeze here outside
 I don't wanna hurt anymore
 I don't wanna rip in my heart
I don't wanna the bleeding to start
standing in the shadow of doubt
knowing that our time's running out
 Hold back the night
 keep the morning away
 hold on to our love
 'cause it's slipping away
 don't close the door
 before you know
 hold back the night
 and I won't let you go
 Just a little bit longer
 just a little more time
 Hold back the night
 keep the morning away
 hold on to our love
 'cause it's slipping away
 don't close the door
 before you know
 hold back the night
 and I won't let you go
 Hold back the night

(hold back the night)
hold on to our love
(hold on to our love)
Hold back the night
(hold back the night)
hold on to our love
(hold on to our love)
Hold back the night
(hold back the night)
hold on to our love
(hold on to our love)
Hold back the night
(hold back the night)
hold on to our love
(hold on to our love)
