Party In Az

Nb Ridaz

[Intro] On a hot dessert high way rollin my 64 feel the heat from the blacktop represent with my boys all the cars start to raise up all the girls on to roll [Verse 1] the floor gettin ready for the party tonight through it up if your down Come on come on lets do it again 2 double o 1 dropin it nbk with a brand new twist didn't know we could drop like this player don't hate bump this az riders never quit nasty girls got to work the hips in the club do that cause im to the az rap biz what jason is to the suns kid heavy billboard bound with another hit for the euros and lowlows and the mamcitas at the car show. Now wheres that spot that's hot down to rock ballers shot caller demo tapes and swap meet dollars uhh yea that's it ballers ball all day players play this way dessert freaks allways bring lets roll party never stops wont stop low lows drop fa show vips with me that heat today is what you shaking that a what you want you need find it where az party jumpin every where at 4 am we don't care that's the way we play & that's the way its going to stay. [Chorus] year) we can party here (we can party) putting it down for the party in Welcome to the party in arizona (arizona) any time of year (any time of arizona (arizona) any time of year (any time of year) theres a party here (theres a party here) Now we hitting the clubs like we owning the spot its front row vip for [Verse 2] class friends making high class ends better watch how the f*k we spend mister zig smelling like a mixture of armani and weed my crew on high we at the bar buring hundreds end fiftys the next colangelo cause im balling in my city we blow doe doe every day get down to the nitty wall to wall. Rollin up by henisee and killer weed they killing me my gritty. And ride till the rims fall off this kind of shiz they knokin mental seed is driving overboard crazy warden subject to be my lord but Im not fallin out my dirty south freaky niggas withg all that gold in with my loved ones raymond rolling the weed in the pheonix streets been their mouth I wont renonce todding my gun having my fun breaking bread up been down been struck by greif to maintain and rearrange my life deeds cause its all about the big az. styles fast gaining living life so wild how you like me now moved out the house you ask why im so lucky better get some weed and count your [Chorus] [Verse 3] like kodak my clicks on flash make them bob there heads till they got live life in az get banned from tv light camera its on now picture that So come on and smoke with me its zig zag and mc showing the world how we whiplash uhh wont stop till the panties drop for the freaks that's waiting in the parking lot for the autograph backstage pass begging mc know u feel what I got to say got to floss arizona in a major way. just to hit the ass nbk with a brand new sway houston texas to the bay I [Chorus]
