

I Cant Wait (www.musiclounge.x2.to)

Akon

I can't wait
I can't wait I think of you
When the mornin' comes and the night time goes away
All day
Don't you ever think that we won't be okay
No way
There is nothing stopin' me from lovin' you
Touchin', and rubbin', and kissin' and huggin' you What's this feeling takin' over me?
Baby, that's love, and it ain't stoppin' it
I don't as far as the eyes can see
Pick up the pace, and it ain't no droppin' it
Always forever I'll be by your side
You're my Bonnie, I'm your Clyde
That's the way that it's gonna be
I'm in love with you, and you in love with me [Chorus: x2]
I can't wait
Sit down and talk for a minute
Go outside and take a walk for a minute, for a minute, for
You
And me I can't believe
That someone like you will love me endlessly
Forever
If this goes our way, my love will always be
Eternally
You have set my mind, my love, my heart so free
Together forever, however, just you and me What's this feeling takin' over me?
Baby, that's love, and it ain't stoppin' it
I don't as far as the eyes can see
Pick up the pace, and it ain't no droppin' it
Always forever I'll be by your side
You're my Bonnie, I'm your Clyde
That's the way that it's gonna be
I'm in love with you, and you in love with me [Chorus: x2] I can't wait
To have you right next to me here by my side
I can't wait
To kiss and caress you, girl, while I'm holding you tight
I can't wait
Can't imagine life without you; it just ain't right
I can't wait

I got a whole lot of loving
And you gonna get it tonight[Chorus: x2]
