Crying for No Reason (MORRI$ Remix)

Katy B

I push all my problems to the back of my mind
Then they surface in my dreams, they come alive
I sweep all my issues to somewhere I can't find
In hope that I'll forget but there's just so many timesWhy can't I be strong and just confront all my fears?
When my fear is hurting you by being sincere
But how many more days can I run? How many years?
Emotions flooding and now it's all seeming so clearCrying for no reason, feel the tears roll down
I felt strong but am I breaking now?
Crying for no reason 'cause I buried it deep
I made promises I could not keep
'Cause I never faced all the pain I caused
Now the pain is hitting me full forceI push all my problems to the back of my brain
A darkness deep inside where I just can't find my way
How can I walk with a smile? Get on with my day
When I deceived myself pretending it's all okayI tried my best to hold it all together, I know
The strings have worn away and now I'm all exposed
I try to hide it all away on top of the shelf
I can lie to everyone but not to myselfCrying for no reason feel the tears roll down
I felt strong but am I breaking down?
Crying for no reason 'cause I buried it deep
I made promises I could not keep
'Cause I never faced all the pain I caused
Now the pain is hitting me full forceForgive me now
'Cause I said that I'll be there for you
Care for you
I let you down, I walked away
'Cause there were things I couldn't say to you
Say to you
I'm breaking nowI burned some bridges down
There must be some way out
The voices speak so loud
Will you forgive me now?I burned some bridges down
There must be some way out
The voices speak so loud
Will you forgive me now?Crying for no reason, feel the tears roll down
I felt strong but am I breaking now?
Crying for no reason 'cause I buried it deep
I made promises I could not keep
But I never faced all the pain I caused

Now the pain is hitting me full force
