

4 The 1

Mario Vazquez

Yeah, this is 4 the 1, this is 4 the 1
She knows who she is
Yeah, this one stays 4 the 1
She knows who she is, oh Listen here now Coacoa eyes
Daddy's coming home soon, oh yeah
I know you sit there and you cry
But daddy's got work to do, oh I know you don't care much for him
'Cause you're crazy for us
I know you don't care much for him
'Cause you're reaching for us I still adore you, never ignore you
You are my angel sent from above
Girl, I adore you, never ignored you
You're my angel sent from above
From above, from above, from above, from above People use to talk, him no have no job
Look at him car now me say ala ala
Now we see dem wan' say hi and me say, me say goodbye
Now we no need no guided light Baby girl don't shed a tear when I'm not near you
No, no, no, no, no, baby girl just listen here
I would do anything to keep you close to me
But daddy's got a lot of work to do now You know I'll never leave your side
I'll stand strong by you
You know I'll always make it right
'Til the next time I see you again I still adore you, never ignore you
You are my angel sent from above
Girl, I adore you, never ignored you
You're my angel sent from up People use to talk, him no have no job
Look at him car now me say ala ala
Now we see dem wan' say hi and me say, me say goodbye
Now we no need no guided light (This is 4 the 1)
Oh, yeah, I'm not afraid, not afraid to tell you
That you are the one, oh, yeah
(This is 4 the 1) Girl, I adore you, never ignored you
You are my angel sent from above
Girl, I adore you, never ignored you
You're an angel sent from above Girl, I adore you, never ignored you
(This is 4 the 1)
You are my angel sent from above
(This is 4 the 1) Girl, I adore you, never ignored you
(This is 4 the 1)

(This is 4 the 1, this is 4 the 1)
