Met Your Match

Brendan Benson

Any clown can make her laugh.
We know that.
Not any clown knows how
to make a good thing last.
And it's, ohh, ooohhhooaaa
it's right there within reach.
But you're blind. Ooohhooaaa.
And it's oh so very hard to find.
And it's killing you.
You're starting to get attached.
What are you gonna do?
Now that you've met your ....
now you've met your match?
Any fool can do the math
and see that
she's gotten into you.
She's not letting go so fast.
She's, ohh, ooohhhooaaa
well, she's not someone
you can push around.
Ooohhooaaa.
And she'll get you
to let your guard down.
And it's killing you.
You're starting to get attached.
What are you gonna do?
Now that you've met your ....
now you've met your match?
Now you've met your match?
Now you've met your match?
She's right there within reach
but you're blind.
She's oh so rare and hard ...
And it's killing you.
You're starting to get attached.
What are you gonna do?
Now that you've met your ....
now you've met your match?
